

# Manic Moonlight

King's X

Help me let me tell you  
What you mean to me  
I don't want to scare you  
Make you run from me

Or let's pretend it's tomorrow  
And we borrowed  
The life of a perfect spinning circus  
In a manic moonlight

Shy on taking chances  
High on giving up  
Sliding down the mountain  
Drowning in the mud

Gone or moving faster  
Run or walking after  
Some kind of fountain of truth

Or let's pretend it's tomorrow  
And we borrowed  
The life of a perfect spinning circus  
In a manic moonlight

Let's pretend  
Let's pretend

Or let's pretend it's tomorrow  
And we borrowed  
The life of a perfect spinning circus  
In a manic moonlight
