

Moanjam

King's X

I sing this song because of you
'Cause of you
I sing this song because of you
You're the story

It's you, it's you

What could I say, what should I do
Oh, for you
What can I say, what should I do, oh
You're the glory

It's you, it's you
It's you, it's you

Yeah, yeah, yeah
Come on now, yeah
Alright
Hey

I sing this song because of you
Because of you
Oh, what could I do, what should I, should I, should I do
You're the glory

It's you, it's you
It's you, yeah, yeah, yeah, yeah
