Mr. Evil

King's X

```
Daddy's got the money
Daddy's got control
Daddy's got the power
Daddy's got you cold

And he's been chasing your lovers away
Whatever it takes for him to get his way

Do you know, do you know
Do you know Mr. Evil?

Daddy told me today
I gotta go
Told me that he'd kill me

He said that bad things would happen to me
Whatever it takes him to get rid of me

Do you know, do you know
Do you know Mr. Evil?

And he's been chasing your lovers away
Whatever it takes for him to get his way

Do you know, do you know
Do you know Mr. Evil?
```
