King's X

If I didn't have a brain  
Then I couldn't feel no pain  
And the longing to be happy  
If I didn't have a name  
If everybody looked the same  
Maybe I could see the difference

I would give it all away  
I would give it all away  
I would give it all away  
I would give it all away  
I would give it all away

If I didn't have to change  
Everything that I became  
Maybe I could find some loving, oh yeah  
If I didn't have a dream  
Or the rest of everything  
Well I'd still be missing something

I would give it all away  
I would give it all away  
I would give it all away  
I would give it all away  
I would give it all away  
I would give it all away

If I didn't have a life  
And freedom didn't have a price  
Maybe I would be a rich man, oh yeah, hm  
If I wasn't incomplete  
And could control the rest of me  
I'd fill this hole and let it bleed

I would give it all away  
I would give it all away  
I would give it all away  
I would give it all away  
I would give it all away  
I would give it all away  
Give it all away  
Uh-uh, oh yeah, would give it all away

Alright  
If I didn't have a brain  
Couldn't feel no pain  
If I didn't have a name  
Everybody looked the same  
If I didn't have to change  
Everything that I became  
If I didn't have a dream  
Or the rest of anything  
If I didn't have a life  
Freedom didn't have a price  
If I wasn't incomplete

I'd be a...

I'd be a...

I'd be a...

I'd be a...

I'd be a...
