

## Watcher

King's X

There's something in the back room  
Hidden from the light  
Something stirring in the closet  
Something blurry in my site

They say you are unusual  
Ah, I bet you are  
Something minimal  
Maybe criminal  
Let's hope that someone sets the bar

Hang on watcher  
The dog will get you if you go too far  
Hang on watcher  
The truth will come and find you where you are

They say you are unusual  
Ah, I bet you are  
Something minimal  
Maybe criminal  
Let's hope that someone sets the bar

Hang on watcher  
The dog will get you if you go too far  
Hang on watcher  
The truth will come and find you where you are

Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeah
