

Say You Remember

Kingswood

I'm a believer
Ooh, we got something special can't you see
Ooh, could you be the one I remember?
Is there something vague in your memory?
How many times have you felt all the hair on the back of your neck when it stands up?

Say you remember (pull it together)
How can I pull it together without a chance?
We will never know, ooh
Could you be the one I remember?
If I gave you my best would you call on me?
Could you be the one from my past life?
Say you remember, say you remember

In a different world in a different time
I often sit and wonder
Ooh, would I be yours and you be mine?
Would we have found each other?

Whoo!
Oh yeah, oh yeah, oh yeah yeah yeah...

Oh, say you remember, say you remember

I'm a believer
Ooh, why don't you give it a try and believe in me
Believe in me
Could you be the one I remember?
If I gave you my best would you call on me?
Would you be the one from my past life?
Say you remember, say you remember

In a different world in a different time
I often sit and wonder
Ooh, would I be yours and you be mine?
Would we have found each other?

Whoo!
Oh yeah, oh yeah, oh yeah yeah yeah...

How could this be
That you're here with me?
Oh...

It's on the tip of my tongue and I can't let it go
I got my heart on my sleeve and it shows
Ooh, it's on the tip of my tongue and I can't let it go
Say you remember, say you remember
Ooh, anything that you hope is yours

In a different world in a different time
I often sit and wonder
Ooh, would I be yours and you be mine?
Would we have found each other?

Ooh, in a different world in a different time

I often sit and wonder
Ooh, would I be yours and you be mine?
Would we have found each other?
Hey hey hey oh!
