The dry North Wind swiftly collects the fallen leaves DTonight, it may snow you say with an optimistic voice
At this same park, today, a quiet night comes
The crossed fingers are so very gentle, a warmth of two
When I realized, you were always laughing besides me
A flower that blooms within my heart

I want to see you, see you now, even the one second we are apar ${}^{\scriptscriptstyle +}$

My feeling is like the white feather dancing the distant evenin g sky

As I hold you, we will fly even farther than eternity Please don It disappear, this love, forevermore

Even in that busy city, unveiled kindness does exist When I see smiles being exchanged in the streets, I truly feel glad

For your dream to come true, I will Continually protect you

I want to see you, see you now, even the one second we are apar t

My feeling is like the white feather dancing the distant evenin g sky

As I hold you, we will fly even farther than eternity Please don It disappear, this love, forevermore

Let \square s stack our kisses and illustrate December

For those days with you, I live today

I want to see you, see you now, besides any spoken words

Have you by my side, as long as you are here (I don \square t need anyt
hing - implied)

I want to see you, see you now, even the one second we are apar t.

My feeling is like the white feather dancing the distant evenin q sky

As I hold you, we will fly even farther than eternity Please don It disappear, this love, forevermore
