

Around You

Kip Moore

Well, I run the risk of goin' mad
I don't know how I let it get this bad
And I'm smoking cigarettes and reliving the night we met
While staring at the phone
Then whiskey only fuels the fire
Hundred proof of pure desire
And everytime I see you, it's the same damn thing
I don't recognize me

No, I don't trust myself around you
Them blue eyes like knives, they cut right through
Oh, I know stories I try to tell myself
Like I'm strong enough to just go to bed
And all them woes come tumblin' on out
With the heat of your kiss and the sweet devil sound
Your voice whisperin', "Boy, you know what you're gonna do"
And I do, so trust me girl
I don't trust myself around you
Yeah you

A thousand horses ropes and reigns
Can't stop a rogue heart unchained
There's no holdin' back when you're right there
So I don't take me anywhere

No, I don't trust myself around you
Them blue eyes like knives, they cut right through
Oh, I know stories I try to tell myself
Like I'm strong enough to just go to bed
And all them woes come tumblin' on out
With the heat of your kiss and the sweet devil sound
Your voice whisperin', "Boy, you know what you're gonna do"
And I do, so trust me girl
I don't trust myself around you
Yeah you

Get down now

No, I don't trust myself around you
Them blue eyes like knives, they cut right through
Oh, I know stories I try to tell myself
Like I'm strong enough to just go to bed
And all them woes come tumblin' on out
With the heat of your kiss and the sweet devil sound
Your voice whisperin', "Boy, you know what you're gonna do"
And I do, so trust me girl
I don't trust myself around you
Yeah you
