Comeback Kid

Kip Moore

I'm a new used car with a couple dents And I'll get where I'm going Cause I know where I've been When it all goes south, I'm gonna rise again Just call me the comeback kid

I'm a hail Mary pass on homecoming night Six points down with the clock ticking by Come hell or high water I still believe I can win Just call me the comeback kid

Oh, oh, oh Girl I'm glad that you never did Oh, oh, oh Lose faith in this comeback kid

Baby, all life's bullets I've took to the chest Should've buried me alive, should've left me dead But when I reach for that white flag You won't let me quit And you call me the comeback kid

Oh, oh, oh Girl I'm glad that you never did Oh, oh, oh Lose faith in this comeback kid

Someday I'm gonna get you that white picket fence And that little pink house just like Mellencamp said Cause I want to taste the good life Before the Lord puts us to bed

Girl keep holding on, keep hangin' in Oh, oh, oh Don't ever do what you never did Oh, oh, oh Don't give up on this comeback kid Oh, oh, oh Girl, I'm glad that you never did Oh, oh, oh Lose faith in this comeback kid

Just keep holding on Just keep holding on Just keep holding on
