

# Lead Me

Kip Moore

I don't know what I should say  
To get a woman like you to look my way  
All I know is just how I feel  
And it's forever like Texas, stronger than steel

Lead me into your heart  
Don't let this world keep us apart  
Don't leave me alone in the dark  
Lead me into your heart

A woman's heart is a river runnin' wild  
Tougher than a cowboy,  
Tender as a child  
It's a mystery a man can't understand,  
So, baby, help me, take my hand

Lead me into your heart  
Don't let this world keep us apart  
Don't leave me alone in the dark  
Lead me into your heart

Oh, oh, oh  
Oh, oh, oh  
Oh, oh, oh

Girl, I know we got our scars  
Beautiful and broken, just the way we are  
With a little faith and a whole lot of trust  
I'd bet it all on you, bet it all on us

So lead me into your heart  
Don't let this world keep us apart  
Don't leave me alone in the dark  
Lead me into your heart  
Lead me into your heart
