

# Man's Gotta Do

Kip Moore

Well, his daddy set him down  
When he was just a kid  
Said listen to me loud  
My son, to how it is

Your mom and me, we tried  
We just can't get along  
I know you've heard her cries  
But, son, it ain't your fault

Well, I ain't gon' be around  
So you'll have to take the reigns  
Boy, I know you're scared right now  
But you're gonna do great

'Cause sometimes the ride  
Don't go as you planned  
No matter how hard you try  
It's outta your hands  
And sometimes life shows up  
Long before you want it to  
And sometimes a boy's gotta do  
What a man's gotta do

Well, the years went flyin' by  
Just like his muscle car  
And Katie asked him for a ride  
And, in that backseat, they took it too far

Barely seventeen  
Katie's three weeks late  
So he went and got a job  
Told his mom graduation will have to wait

'Cause sometimes the ride  
Don't go as you planned  
No matter how hard you try  
It's outta your hands  
And sometimes life shows up  
Long before you want it to  
And sometimes a boy's gotta do  
What a man's gotta do, oh yeah!

Now, he still can't buy a drink  
But he bought a diamond ring for her hand  
He's shippin' off in fourteen days  
To a foreign land

I guess sometimes the ride  
Don't go as you planned  
No matter how hard you try  
It's outta your hands, oh!  
And sometimes life shows up  
Long before you want it to  
And sometimes a boy's gotta do  
What a man's gotta do
