

# Peace & Love

Kip Moore

I had a plan  
A little dream  
Took a wrong turn  
And it turned on me  
Stretched out  
A little thin  
Somewhere in the chaos  
I found me a friend, yeah

You're where I go  
When the devil is a calling  
Umbrella in the night  
When the sky is a-falling  
Down, down, down, down  
Any storm I can ride  
With you around, 'round, 'round, 'round  
It's all peace and love on the inside

Hard world  
Hard times  
Heavy on the heart  
Heavier on the mind  
Whiskey might fix it  
But it fades away  
And you're right back there in it at the end of the day, girl

You're where I go  
When the devil is a calling  
Umbrella in the night  
When the sky is a-falling  
Down, down, down, down  
Any storm I can ride  
With you around, 'round, 'round, 'round  
It's all peace and love on the inside

For some, it's a church  
For some, it's a bar  
Maybe some good friends and an old guitar  
Well, me, old me, no, I ain't here to judge  
Just know I found a lil' shelter  
When the times get tough, yeah

You're where I go  
When the devil is a calling  
Umbrella in the night  
When the sky is a-falling  
Down, down, down, down  
Any storm I can ride  
With you around, 'round, 'round, 'round  
It's all peace and love on the inside
