

What I Do

Kip Moore

I like to smoke cheap cigarettes
God knows I'll take what I can get
Mary Jane's a friend of mine, from time to time
I'm a stubborn mule from what I hear
When it comes to what kinda beer I wanna drink
So don't think you'll change my mind

I'm a midnight lover on the loose
I'm a wild card baby through and through
Give me a guitar and I'll pick some songs for you
That's what I want and that's who I am
That's what I do

I've been known to offend, feel kinda bad but do it again
Ain't the first, sure ain't the last time I do
I'm on my way to perfect, politically incorrect
I apologize ahead of time if it pertains to you

I'm a midnight lover on the loose
Cause I'm a wild card baby through and through
Give me a guitar and I'll pick some songs for you
Cause that's what I want and that's who I am
That's what I do
Cause that's what I want and that's who I am
And that's what I do

How am I to swear when I ain't supposed to swear
That's how it goes
Settle down and loosed up
We'll get along

I'm a midnight lover on the loose
I'm a wild card baby through and through
Give me a guitar and I'll pick some songs for you
Cause that's what I want and that's who I am
That's what I do
Cause that's what I want and that's who I am
And that's what I do
That's what I want and that's who I am
And that's what I do
