

Easy Come Easy Go

Kip Winger

If you start to feel
Like there's no time to waste
Baby try to let go
There's nothin' that strong
Can't break your heart
Easy Come Easy Go

And the only only only way you find it

Is it you're not
Digging too deep
Though it's easier said than done
You've got to feel it
In your blood
Play the game
Like you've already won

And you'll only only only own it when you say

Easy Come Easy Go
This won't break my heart (Don't ya know)
Sometimes high sometimes low
Easy Come Easy Go

Yeah

You fell in the trap
That won't let you win
You try again and again
You let the heat
Burn your feet
Baby try
To understand

That you'll only only only own it when you say

Easy Come Easy Go
This won't break my heart (Don't ya know)
Sometimes high sometimes low
Easy Come Easy Go

So if you start to feel
Like there's no time to waste
Baby try to let go
There's nothing so strong
Can't break your heart
Sometimes high sometimes low

And you'll only only only own when you say

Easy Come Easy Go
This won't break my heart (Don't you know)
Saying, sometimes high sometimes low
Easy Come Easy Go

Sometimes high sometimes low
Easy Come Easy Go

Let 's Go

Easy Come Easy Go
If you're not digging to deep
Easy Come Easy Go

Easy Come Easy Go
