

Ressurrection

Kip Winger

Mix the purple with the blue
Leave desire showing through
Half the time I just wanna be dead and done

There's a sound around me
All around me
Sound of a broken heart
Can I live if the girl is real
Or is that just the way it goes?

After all that's been said and done

All I know, I don't want to dead and done
All I know, I don't want to be a setting sun
Find a way to paint to color in my heart

There's a sound around me
All around me
Sound of a broken heart

I'm a man, and I can't be sorry for everything I've done
Oh, my resurrection
There's a sound
Sound of an open heart

Round and round
Till you hit ground and lose your faith
And down you go
You lie and cry and might try to make a break
It's all a show
You just can't hide from what's inside you're face to face
So now you know

Desert hill release the night
Changing shaped to meet the light
Draw a circle in the sand begin again

There's a sound around me
All around me
Sound of an open heart
I'm a man, and I can't be sorry for everything I've done
Oh, my resurrection
There's a sound
