Spell I'm Under

Woman Never before Without a word I hear so much Woman Under the spell Every sin Holy in your touch It's all I feel It's all I see And all I know It must be you You're the spell I'm under You're the spell I'm under Woman How deep can I go Every inch born a new obsession Woman How did you know That I couldn't have helped myself From comin' closer To the oracle of faith taboo All my temptation Hooked on you You.... You're the spell I'm under Must be you You're the spell I'm under Feels like a drug My will revealed in your spell I remember.... You're all I feel You're all I see Revolving in the need for You.... You're the spell I'm under I know it must be you You're the spell I'm under Feels like a drug Didn't take very long.....
