

I Don't Wanna Know

Kira Isabella

It ain't like there's a lipstick stain
No you ain't that cliché
But even so
1 a.m. and your phone lights up
You don't say a word about who it was
And I let it go
I feel you changing
There's little signs
What you're not saying
Won't change my mind

I don't wanna know
I don't wanna hear it
Doesn't matter where you go
Behind closed doors
If you're happy
If you love her more
As long as you come home
I don't wanna know

Walk in the door after working late
I'm wearing that dress from our first date
And you don't notice
But even when you're here you're somewhere else
You can't see it, I'm in hell
'Cause I don't show it
If you call her baby
When you're alone
This might sound crazy
But I don't wanna know

I don't wanna know
I don't wanna hear it
Doesn't matter where you go
Behind closed doors
If you're happy
If you love her more
As long as you come home
I don't wanna know

If you'd rather be beside her
If you'd rather give her your last name
I don't wanna have to wonder
All the same

You're still the man that I've always loved
Even if for you I'm not enough

I don't wanna know
Behind closed doors
If you're happy
If you love her more
As long as you come home
I don't wanna know
As long as you come home
I don't wanna know
