

I'm So Over Getting Over You

Kira Isabella

I'm so over getting over you over you
I'm so over getting over you over you

I'm sick of sleepin' in your T-shirt
Counting the turns on my ceiling fan
Lying awake, making myself crazy
Looking at your Instagram
Wonderin' where ya been
Who you're with, is keepin' me up
Thinkin about coulda been, shoulda been, woulda been us
Well guess what?
Unfollow, delete, I'm done

I'm so over getting over you (over you)
I'm so over getting over you
I'm done with you
Going out in that dress you hated
Boy your love so overrated
I'm so over getting over you (over you, over you)

I'm gonna go out and paint this town
Taking back Saturday night
And I won't even notice when they're playing our song
Cause I'll be having the time of my life
You'll be wonderin'
Where I been, who I'm with
Callin me up, talking about
Coulda been, shoulda been, woulda been us
Well guess what
Sorry, I'm not sorry I'm done

I'm so over getting over you (over you)
I'm so over getting over you
I'm done with you
Going out in that dress you hated
Boy your love so overrated
I'm so over getting over you (over you, over you)

Life's too short
For broken hearts
Life's too short
For broken hearts

I'm so over getting over you (over you)
I'm so over getting over you
I'm done with you
Going out in that dress you hated
Boy your love so overrated
I'm so over getting over you (over you, over you)
Oh yeah
I'm so over getting over you
