

mood ring

Kira Kosarin

I could go on and on about them
Tell all my friends that they're the best I've ever seen
I know I couldn't live without them
And I mean it

Every single time I call you
You look at me speechless
You don't even have to talk
Cuz your eyes tell your secrets

Every single time you touch me
I know what you're thinking
You could never lie
Mood ring colored eyes

Like when they're blue
It's the color of the pool
In the summer that I couldn't keep my hands off you
I know flowers always die
But the gold that's in your eyes
It reminds me of
The ones we saw on the day we went
Through the hills and I almost said
Three little words that I can't take back
But I thought not yet, not yet, not yet

It's true
You could never lie
Mood ring colored eyes
Mood ring colored eyes

I know you wouldn't need a reason
To ever hide it but it you couldn't if you tried
And you know I miss them when you're sleepin'
And I mean it

Every single time I call you
You look at me speechless
You don't even have to talk
Cuz your eyes tell your secrets

Every single time you touch me
I know what you're thinking
You could never lie
Mood ring colored eyes

Like when they're blue
It's the color of the pool
In the summer that I couldn't keep my hands off you
I know flowers always die
But the gold that's in your eyes
It reminds me of
The ones we saw on the day we went

Three little words that I can't take back
But I thought not yet, not yet, not yet
