

Again & Again

Kirk Franklin

I know He can do it again
There's no doubt in my mind that time after time God will do it
again
I know He will
I know He will do it again
Yes, He will, yes, He will

It's gonna be an encore, it's gonna be an Encore
You're gonna see him do it, do it again
It's gonna be an encore, it's gonna be an Encore
You're gonna see him do it, do it again

It's gonna be an encore, it's gonna be an Encore
You're gonna see him do it, do it again
It's gonna be an encore, it's gonna be an Encore
You're gonna see him do it, do it again
It's gonna be an encore, it's gonna be an Encore

I've seen him make a way
In ways I can't explain
He's does it time after time
Yet He still blows my mind
He's never failed me yet
I stand with no regret
Because my God, He cannot fail
I'm prepared to never fail

Again, again, again, He will come through
Again, again, again, He will come through
Again, again, again, He will come through
Again, again, again, He will come through
Eyes have not seen and the ears have not heard every word that
I have for you and you

I don't know how
And I can't tell you when
Just how long it will take
A father to be a friend

I've lived a lie for so long
I'm ready for it to end
Fear don't let me miss this door
I need it more than ever before
Lord, please just let me in
