

All Things

Kirk Franklin

Can I talk to ya
I know you got some questions
What's the hardest thing you're going through?
Let's talk about it

Talkin 'bout mountains
Talkin 'bout pain
Talkin 'bout my life
When will it change
Talkin 'bout all things
God can do all things

Talkin 'bout night time
Lose my way
And my dreams
That have been erased
Talkin 'bout all things
I said God can do all things

I understand

I know days it won't always be easy
Yeah
So it's good to know I'll never let You down
Talkin 'bout all things
All the big and the small things
I'm so sure
God can do all things

Talkin 'bout doubts that flood my mind
I'm out of funds and I'm out of time
I need a blessing
I need You to do all things

See, I understand that

I know days it won't always be easy
And just in case I fall
So it's good to know I'll never let You down
Yeah
Talkin 'bout all things
All things
All the big and the small things
God can do all things

Say it again, yeah

Talkin 'bout all things
All the big and the small things
Let's go
God can do all things

Just because He's silent
Doesn't mean that He's still
He's not only preparing it for you
He's preparing you for it
Let's go

Talkin 'bout all things
All the big and the small things
Hallelujah
Talkin 'bout doors you've never seen
Yeah
Blessings on blessings for you to receive

Talkin 'bout all things
Ha-ha
All the big and the small things
He sees You
Talkin 'bout doors you've never seen
Yes
Blessings on blessings for you to receive

Talkin 'bout all things
See the blessing's coming
All the big and the small things
But He had to get you ready for it
Talkin 'bout doors you've never seen
Yessir
Blessings on blessings for you to receive
What we talkin 'bout

All things
Woo, haha, what we talkin 'bout
All things
Come on say
All things
Say it again, uh

All things
And my people say
God can do it, He can do it
Woo
All things
Yeah
All things
Yessir

All things
Nothing is impossible
God can do it, He can do it
All things work together
All things
You can't give up now, hey
All things
What we talkin 'bout

Talkin 'bout all things
Hallelujah
All the big and the small things
God can
God can do all things
