

Brighter Day

Kirk Franklin

When I close my eyes and think of You
And reminisce on all the things You do
I can't imagine my life without You

It's like paradise now I know that it's real
It's a mystery for someone
To give their life just for me, umm
What You did on Calvary
Makes me wanna love You more

I never knew I could be so happy
And I never knew I'd be so secure because of Your love
Life has brand new meaning
It's gonna be a brighter day, brighter day

Never thought that I would smile again
I never thought the dark clouds would end
Never thought the dark clouds would end
Never thought that I could have a friend

That would keep me never leave me alone, umm
Jesus You're my everything
The only one that makes my heart sing ,heart sing
Now I know what real love means it's everlasting, lasting

I never knew I could be so happy
And I never knew I'd be so secure because of Your love
Life has brand new meaning
It's gonna be a brighter day, brighter day

Nothing can compare to the joy
Ya bring an ever lasting love affair
Jesus my life will never will be same
I found someone who truly cares

I never knew I could be so happy
And I never knew I'd be so secure because of Your love
Life has brand new meaning
It's gonna be a brighter day, brighter day
