Gonna Be A Lovely Day

Kirk Franklin

When I wake up in the morning love and my heart is filled with pain. The smile I had upon my face is gone can't see the sunshine from the rain when I think of You then the world is allright with me. Lord just one thought of You and I know it's gonna be a lovely day (lovely day) (4x)

Jesus You're the lover of my soul,
the fire that burns deep within
You are the joy this world can't take away
The Spirit tells me this will never end
when I think of You then the world is allright with me.
Lord just one thought of You and I know it's gonna be
a lovely day (lovely day) (4x)

I know you going through some stuf now feeling ruff now, feel like givin' up now But how can you learn if you don't fall But how can you walk if first you don't crawl But through it all You keep blessing me while people keep on pressin' me and stressin' me because they never hear a preacher flow Let's come togheter with one heart, one mind untill we see the sunshine when I think of You then the world is allright with me. Lord just one thought of You and I know it's gonna be a lovely day (lovely day) (4x)

A lovely day yeah
