

# Love Theory

Kirk Franklin

(Brothers and sisters  
I wanna welcome You back to life  
Back to the one  
That could make Your next chapter  
Your best chapter  
Hallelujah)

How can it be  
That You love the most unlovable part of me  
Of me  
How did You see  
Your life was the only gift I'll ever need  
To be free

It's amazin' with You  
I win even if I lose  
Everything's working for my good for always

(Come on)  
He saves the day (Wooo)  
He will come through  
He won't fail  
That's not what superheroes do (Hallelujah)  
No greater love makes my heart beat  
All I wanna do is make You proud of me

(That's why)  
I don't wanna love nobody but You  
I don't wanna love nobody but You  
I don't wanna love nobody, love nobody but You

(Hmmm, let's go)  
How can it be  
Everyone of my secrets that You'll keep (You cover me)  
You cover me  
(I appreciate it)  
A mystery (it's amazing how)  
Your patience with me that will never leave (You don't give up on me)  
Don't ever leave

(Help me)  
Help me to see like You (like You)  
No matter what I go through (hey)  
Everything's working for my good for always

(Let me tell You what He does)  
He saves the day (and He will)  
He will come through (Hallelujah)  
He won't fail  
That's not what super heroes do  
(Not real superheroes)  
No greater love (a love like this) makes my heart beat  
(Ha, and I promise You)  
All I wanna do is make You proud of me

(That's why)  
I don't wanna love nobody but You (You)

I don't wanna love nobody but You (yes)  
I don't wanna love nobody, love nobody but You (I searched all over)  
I don't wanna love nobody but You (You)  
I don't wanna love nobody but You (that's right)  
I don't wanna love nobody, love nobody but You (ah ah yes)

(And the church sang, come on)  
Loving You will be (huh, Jesus Loving You)  
Will be the death of me (huh, it sounds crazy don't it, ehh)  
That's how it's s'posed to be (let me tell You what it means)  
More of You, less of me

(That's why)  
I don't wanna love nobody but You  
I don't wanna love nobody but You (Father)  
I don't wanna love nobody, love nobody but you  
(I really mean it this time)  
I don't wanna love nobody but You (Jesus)  
I don't wanna love nobody but You (eh)  
I don't wanna love nobody, love nobody but You

(Lemme tell You what He does)  
He saves the day (huh Come on)  
He will come through (He won't let You down)  
He won't fail  
That's not what super heroes do  
(See, I will never find)  
No greater love (a love like this) makes my heart beat (forever and a day)  
All I wanna do is make You proud of me

(Let me say it again)  
He saves the day (Wooo)  
He will come through (it feels so good)  
He won't fail  
That's not what super heroes do (yes suh)  
No greater love (hallelujah) makes my heart beat  
(For the rest for my life)  
All I wanna do is make You proud of me

(Everybody sing)  
I don't wanna love nobody but You  
I don't wanna love nobody but You (You)  
I don't wanna love nobody, love nobody but You  
(Hmm, You're the savior)  
I don't wanna love nobody but You  
I don't wanna love nobody but You (yes)  
I don't wanna love nobody, love nobody but You
