

# Spiritual

Kirk Franklin

Woah

It hurts me to see you give up  
'Cause the battle is not flesh and blood  
It's all a delusion to live in confusion  
So you gotta set your mind on things above  
Don't forget who's the real enemy  
And they hate you've been granted victory  
But still life feels wrong, you can't fix it on your own  
You'll never be free if you live by what you see

So over and over and over again  
Remind yourself when your flesh wants to win (Jesus)  
It's not about me  
This is not my home  
And everything's spiritual  
Yes, it's all spiritual  
Help me to see  
That I don't belong here  
'Cause I am spiritual  
You make me spiritual  
Me  
(Let's go)

Oh, oh I  
Oh, oh I  
I, oh I (Haha)  
I'm spiritual  
Oh, oh I  
Oh, oh I  
I, oh I  
(Listen)

We celebrate fortune and fame (But tell me)  
But tell me, does heaven know your name? (How much did it cost you?)  
How much was the price for you to live your best life?  
Tell me, did you lose much more than you gained?

(So over)  
So over and over and over again (Speak to yourself)  
Remind yourself when your flesh wants to win (It's not about me)  
It's not about me (Father)  
This is not my home  
And everything's spiritual  
Yes, it's all spiritual (Yes, God)  
Help me to see  
That I don't belong here (Yes)  
'Cause I am spiritual (I'm spiritual)  
You make me spiritual  
Me  
(Woo!)

Oh, oh I  
Oh, oh I  
I, oh I (Spiritual)  
I'm spiritual (I'm just visitin')  
Oh, oh I (Haha)

Oh, oh I  
I, oh I  
(Listen)

We were made to live forever  
(God is knocking on your heart)  
Say if you wanna live together (Forever)  
Forever

It's not about me  
This is not my home  
Everything's spiritual  
Everything's spiritual
