Still In Love

Kirk Franklin

That touch I felt was You, I believe it It felt like something You would do How You, You keep reminding me That You made me for You

I knew that there would be some days That can't be guaranteed to be blue It's true but then where would I be without opportunities To watch You change my broken life

Hear You, tell me it's gon' be alright Now see Your plans come together In ways I can't even explain

Together we been through hard times But Jesus, I'm still in love with You I've had many loves in my life But Jesus, You make me feel brand new

You know it's hard for me to believe That You love me no matter what I do So how I live, I hope You can see That I'm in love with You

The morning sun was You I appreciate it, just what I needed to get through 'Cause You knew I had a stressful day Gotta get away with You, Jesus

You, You make me happy If I wrote down all the things You do The list would take forever I thought it might be better to tell You

Why I smile is 'cause You You bring no drama in my life It was dark but I can see the light now Everything is so beautiful to me

(Hey DJ)
Turn it up, it feels so good
To have somebody love you
And your heart won't break
Turn it up if you've been through love

You're ready now to let go of yesterday Get on up and get yourself together He's callin' you, it's all for you If you don't know Jesus is so in love with you

You, You, yeah that's You just keep doing what You do No one does me like You do That's why I'm so in love with You Who? You, yeah, it's You and if I have to got through As long as I'm with You, I'm gone
