I can take a plane high up in the sky and fly for a million miles Write a melody so sweet, make a tear turn into a smile I can see the color of spring I can even feel the weather change And soon the leaves fall and winter calls, 'cause nothing ever stays the same When I think of where I've been, what I've done and all I own How I think I know everything, like I made it here on my own And like the wind that blows, like a flower that grows Still with all I can do

(Without You) life's a song with no end Without You, like having a heart that won't mend Without You, we're just actors on a stage Like a child who's lost his way Wouldn't be here today without You

I admit that sometimes pride tries to hide my view
And even this gift that you gave me, I forget it's for You
And all the many days and many ways Your grace I've abused
Still you were patient and Your love loved me through
But the wind still blows and the flower still grows and one thing is still true.

(Without You) life's a song with no end Without You, like having a heart that won't mend Without You, we're just actors on a stage Like a child who's lost his way Wouldn't be here today without You

(Without You) life's a wound that won't heal Without You, nothing in this world is for real Without You, we're just actors on a stage Like a child who's lost his way Wouldn't be here today without You

Can't live, can't see Your will for me
Can't do anything
Anything

(Without You) life's a song with no end Without You, like having a heart that won't mend Without You, we're just actors on a stage Like a child who's lost his way Wouldn't be here today without You

(Without You) life's a wound that won't heal Without You, nothing in this world is for real Without You, we're just actors on a stage Like a child who's lost his way Wouldn't be here today without You

Without You, we're like a bride with no groom Without You, it's like seeing no sunshine in June Without You, we're just actors on a stage Like a child who's lost his way We wouldn't be here today Without You, Jesus my life would be lost.

Without You, I'll never know what it cost
To see You, lay Your life down for me
From my past now I'm free
Tell me where would I be without You.
Tell me where would I be without You
Wouldn't be here today without You
Wouldn't be here today without You
