

Ridin' down 288
Got a Bentley it's on paper plates
Give a fuck what a bitch nigga say
When I'm ridin' down 288, 288

I'm ridin' down 288
Got Bentley on paper plates, yeah
I had to go do my own thang
I had to get the fuck up out the way yeah
I'm ridin' down 288
And give a fuck what a bitch nigga say
Man I swear I had to do my own thang
I just had to get the fuck up out the way yeah

Ridin' down 288
Got a Bentley it's on paper plates
Give a fuck what a bitch nigga say
When I'm ridin' down 288, 288

Ridin' down 288
Got a Bentley it's on paper plates
Give a fuck what a bitch nigga say
When I'm ridin' down 288, 288

Ridin' down 288
