

## Dat Texas

Kirko Bangz

Smoking kush drinking [?] swinging on the swingers

They say they want dat Texas  
What you know about coming down Benz and Lexus  
I gotta do this shit for Texas  
Sipping [?] and cleaning interior

Man it's a good ass day in that lone star state  
I'm white T'd and J'd up about to swing down MLK  
I fill my cup up with [?] yea Texas know about that [?]  
You can't say lean and that purple that shit done got to commercial  
I take it back to my roots 93 92  
Then put y'all boys up on game y'all can take that shit too  
I'm talking blue over gray where we bound and parlay  
And every nigga in the city got a tape from that  
I got a grill from that Johnny now a mouth full of golds  
Niggas die over swingers 84s and the Vogues  
Got niggas saying they tipping got it all in they songs  
But you don't know the history that nigga never rode 4s  
I'm just proud to be from Texas popping 16 in the Benz and Lexus  
Sipping on [?] and my bumper grill make a fuck nigga want to start plexing  
I'm from Texas I'm from Houston gotta say that shit with pride  
If you feeling how I'm feeling throw that shit up in the sky

They say they want dat Texas  
What you know about coming down Benz and Lexus  
I gotta do this shit for Texas  
Sipping [?] and cleaning interior

For real like, I ain't even tripping that niggas repping that H-Town shit. Sipping oil and shit that shit throwed to me nigga. Salute all y'all niggas that's fucking with that Texas shit. Nigga I'm just tryna put niggas on game let niggas know where it come from and all about the shit. And if you gon rep that shit for us then do that shit man. Hats off to y'all niggas ain't no hating my way man. Keep shining for me and my city nigga. H-Town for real
