

Date Night (Same Time)

Kirko Bangz

Same time, same same
Kissing at the same
Same time, two bitches at the same time

Red bottom bitch
Baby poppin' shit
They know that I'm rich
I'm tryna fuck the clique
Girl don't play no games
You know just what you came to
Heard they with this shit
So fuck it, let me bring my main too

She don't play no games, no she don't BS
Ain't gotta be my main, said she coming with her friends
Said they both gon' drop it, ooh yeah, on the chandelier
This what happen when a nigga keep it real
I told them both the truth, (yeah) pull up at the same time
I'ma need both of you to pull up at the same time
Ain't no rules, I need two, double trouble
Tongue kissing at the same time
Yeah, she love love love love it (ooh)
Kissing at the same time
Yeah, she love love love love it
Yeah this a double date night
She love love love love it, yeah (woo)
Kissing at the same time

I can't do just uno, I need least a duo
Tell your friend to bring two friends
And tell her bring bout' two more

I'ma dog with the pussy like kujo
She said she was squatting
