

## What Yo Name Iz

Kirko Bangz

Girl what it do  
I'm comeing home with you  
Your girlfriend trippin' on you  
You can bring her too  
Your bra up over here  
No panties under their  
Gotcha Biting on your lips baby while I pull your hair  
And she kissing on your navel  
Come give me that halo  
All up in my jeans and I'm gunna' hit her with that  
State flow hard dick  
Kirko paint her walls  
Maco baby I'm a leo and I think that she a virgo  
And you know who I am  
Cause u know that this my jam  
I got ya girl drippin'  
My voice make her wet  
She say I make her shiver  
And I ain't even their  
She in love with a nigga  
And we ain't even met... Dam!

All I wanna know girl what yo name is, I see them other niggas they be on th  
at lame shit  
And I can take care of you and them girls you came with  
But first you gotta tell me what yo fuckin' name is  
What yo name is girl

I'm a treat you like my whip  
Hop in and let me test drive  
Throw it in reverse  
Then put it into sex drive  
Bitch you know my name!  
Throwing money because I make it bomarang!  
My dick the finish line she racein' for my draws I unbuckle my belt  
Know she give me a head start  
Yea I'm livein' right these niggas dead wrong  
She suck my dick while I'm on a call  
Know I just call that head phone  
Like dammit you the shit you do it so well  
You do it so well I'm a throw some change and make a wish  
Fuck around and pay your rent let's go in my car and fake the tint  
Yea the windows clear as day but we fuck like they 8 percent...

Don't know her name those ain't really important  
I herd that loves forever my love gunna' be much shorter  
I intend to hit it, twist it till her man can't feel those boarders  
I intend hook it, I'm it book so much you don't need no boarders  
Forplay reawardin' her on her long day  
Tho you my side piece you still my entree  
I fucks with her the long way she don't really wanna' stay  
Cause I treat her like a groupie I just fuck her like her soulmate  
No kids, no ring herd she do your own thing  
That's why they salty every where I sware it's like a snow day  
Ya'll don't move em' you dudes is at that slow pace  
I don't toot my own horn but I'm a cold train

What yo name is girl let me tell you mine  
I'm the trill OG and I be out here on the grind  
The game ain't pretty but I'm reppin' for my city  
Keep dirty money on me like my name was P Diddy  
Call me Bun B'da you know I stay G'd up  
I'm rollin' with ya bopa on them choppers with her feet up  
I'm sittin' on candy I'm sippin' on brandy  
I'm comeing down clean and man them boys can't stand me  
They mad cause they girl be on my tip like tinny  
I'm riddin' glass house so it won't be hard to find me  
My game so grimme my rims so shinny  
And ya can't get like me then boy tou besta' get behind me
