## **Just Be**

## **Kirsty Hawkshaw**

You could travel a world But you can't runaway From the person You are in your heart

You could be
Who you want to be
Make us believe in you
Keep all your light in the dark

If you're searching for the truth You must look in the mirror And make sense Of what you can see

Just be

Just be

They say learning
To love yourself
Is the first step that you take
When you want to be real

Flying on planes To exotic locations Won't teach you How beauty feels

Face up to the fact
That you are
Who you are
And nothing can change that belief

Just be

Just be

Cause now I know It's not so far To where I go That I respond It's inside me

I need to just be Just be

Just be

Just be

Just be

I was lost and I'm still lost But I feel so much better

Cause now I know

It's not so far To where I go That I respond It's inside me

I need to just be Just be
