

# All Hell's Breakin' Loose

Kiss

Street hustler comes up to me one day  
And I'm walkin' down the street  
Mindin' my own business  
Now he looks me up and he looks me down and says

"Hey man, what be this" and "What be that"  
And "Why you gotta look like that?"  
Well I just looked at him, I kinda laughed, I said,  
"Hey man, I am cool, I am the breeze."

Haven't you heard, there's a new revolution  
Gotta spread the word, too much confusion

[(All hell's breakin' loose)] Hey hey have you read the news?  
[(All hell's breakin' loose)] Overloadin' 'n' blowin' my fuse  
[(All hell's breakin' loose)] Day and night, baby, night and day  
[(All hell's breakin' loose)] In the streets there's a brand new way, yeah

You know we ain't always winners  
But this is the life we choose  
And we won't change or rearrange  
And we ain't never ever gonna lose

It ain't always easy  
When the goin' gets rough  
When you're gettin' even  
You gotta show your stuff, tell about it now

Take a look around, only one solution  
Set the world on fire, fight the institution  
Gonna stand our ground, feel the new sensation  
Something's goin' down, ooh, rock the nation

[(All hell's breakin' loose)] Hey hey have you read the news?  
[(All hell's breakin' loose)] Overloadin' 'n' blowin' my fuse  
[(All hell's breakin' loose)] Day and night, baby, night and day  
[(All hell's breakin' loose)] Ah, take it

Haven't you heard, only one solution  
Gotta spread the word, you gotta tell it to the people right now  
Take a look around, feel the new sensation  
Set the world on fire, ooh, rock the nation

[(All hell's breakin' loose) (All hell's breakin' loose) (All hell's breakin' loose)]  
Baby, baby, baby, baby, whoo

[(All hell's breakin' loose)] Overloadin' 'n' blowin' my fuse  
[(All hell's breakin' loose)] Day and night, baby, night and day  
[(All hell's breakin' loose)] In the streets, you can hear them say
