

Every Time I Look at You

Kiss

G Ami Hmi C D

G

Tried to say I'm sorry
Didn't mean to break your heart

F C
And find you waitin' up by the light of day

And I don't know what I'd do if you walked away

Seem to come easily

'Cause you're everything to me

I never really wanted
To let you get inside my heart
I wanted to believe this would soon be ending
I thought it wouldn't matter
If it all just came apart
But, now I realized I was just pretending

Ooh, baby, I know I hurt you
But you can still believe in me

R: But everytime...
