

# Journey Of 1,000 Years

Kiss

**Emi** **C**  
I know just where you come from  
**Emi** **C**  
Where all your yesterday's are gone  
**Emi**  
And now you're done  
**C**  
But you've only just begun  
**Emi** **C**  
It's time you opened up the door  
**Emi** **C**  
And now it's all very clear  
**Emi** **C**  
This journey of 1,000 years

**Emi** **C** **G**  
Can you feel it coming  
**D**  
Can you hear the sound  
**Emi** **C** **G**  
Can you feel it coming  
**D**  
Or is it the roar of the crowd  
**Emi** **C** **G** **D** **C**  
Can you feel it coming  
**Emi** **C**  
Can you hear it  
**G** **D**  
Or is it the roar of the crowd

**Emi** **C** **G**  
Did you sleep without dreams  
**D** **Emi**  
Did you fly without wings  
**C** **G**  
Did you touch without feel  
**D**  
Where nothing is real  
**Emi** **C** **G** **D** **C**  
Did you feel it coming  
**Emi** **C**  
Did you hear it  
**G** **D**  
Or was it the roar of the crowd
