

# Paralyzed

Kiss

Who cares, I'm in a trance  
I got no hope, I don't stand a chance  
And it's all right, yes it's all right

Who knows, well I don't care  
'Cause I don't fit in anywhere  
But it's all right, yes it is all right

Well, I'm numb but that's my style  
I've been numb for a little while  
But it's all right, yes it's all right

I checked out yesterday  
Well there's nothing left to say  
But it's all right, yes it's all right

Don't see nothin' in my eyes  
'Cause man, I've been lobotomized  
Cold inside, anesthetized  
'Cause life has got me paralyzed

Who says I have to pay  
I didn't want this anyway  
But it's all right, yes it's all right

Who says life is good?  
Love thyself, well I never could  
But it's all right, yes it is all right

I'm here dressed in black  
Waiting for a heart attack  
But it's all right, yes it's all right

I try to talk, I just can't speak  
The urge is strong, but my brain is weak  
And it's all right, yes it's all right

Don't see nothin' in my eyes  
'Cause man, I've been lobotomized  
Cold inside, anesthetized  
Life has got me paralyzed

And who says life is good?  
Love thyself, well I never could  
But it's all right, yes it's all right

I checked out yesterday  
Well there's nothing left to say  
But it's all right, yes it's all right

Don't see nothin' in my eyes  
'Cause man I've been lobotomized, I'm paralyzed  
Cold inside, anesthetized  
Yeah, I can't help feelin' otherwise, I'm paralyzed

Don't see nothin' in my eyes  
'Cause man I've been lobotomized, I'm paralyzed

Cold inside, anesthetized  
Yeah, I can't help feelin' otherwise, I'm paralyzed
