

# Tomorrow

Kiss

**C** **G** **Ami** **G**  
I didn't know just what to say, when you turned and you looked my way

**C** **G** **Ami**  
It doesn't happen to me every day, can we talk a while?

**C** **G** **Ami** **G**  
I didn't know just what to do, I couldn't seem to take my eyes off you

**C** **G** **Ami**  
You know I wanted just to take you home, but that's not your style

**C** **G** **Ami** **F**  
And tomorrow, we're gonna fall in love, fall in love

**C** **G** **Ami** **F** **C** **G** **Ami** **G**  
Tomorrow, we're gonna fall in love, fall in love, tomorrow, tomorrow

**C** **G** **Ami** **G**  
I didn't even know your name, like a moth I was in your flame

**C** **G** **Ami**  
I knew you wanted me to feel real good by the way you smiled

**C** **G** **Ami** **G**  
You didn't have to say a word, I tried to tell you, but I lost my nerve

**C** **G** **Ami**  
You know I wanted just to slip away for a little while

**C** **G** **Ami** **F**  
And tomorrow, we're gonna fall in love, fall in love

**C** **G** **Ami** **F** **C** **G** **Ami** **G**  
Tomorrow, we're gonna fall in love, fall in love, tomorrow, tomorrow

**C** **G** **Ami** **G**  
We're gonna fall in love, fall in love, fall in love, fall in love with me

(But tonight, when the feeling feels so right, we got all the love we need)

**C** **G**  
I didn't know just what to say

**C** **G** **Ami**  
This doesn't happen to me every day and that's not my style

**C** **G** **Ami** **F**  
And tomorrow, we're gonna fall in love, fall in love

**C** **G** **Ami** **F**  
Tomorrow, we're gonna fall in love, fall in love

**C** **G** **Ami** **F** **C** **G** **Ami** **F**  
Tomorrow, tomorrow, tomorrow, tomorrow

**C** **G**  
(Tomorrow) we're gonna fall in love, fall in love

**Ami** **F**  
(Tomorrow) fall in love, fall in love

**C** **G** **Ami** **F**  
(Tomorrow) fall in love, fall in love, (tomorrow) fall in love, fall in love

**C** **G** **Ami** **F**  
We're gonna fall in love, fall in love, fall in love, fall in love with me

(But tonight, when the feeling feels so right, we got all the love we need)
