

# Uh! All Night

Kiss

Everywhere around the world  
Everybody's doin' time  
Freedom comes at 5: 15  
Prison starts at quarter to nine

It takes a hard workin' lover  
To keep on towin' the line  
I'll meet you under the covers  
I get excited, I'm so excited

Well, we work all day and we don't know why  
Well, there's just one thing that money can't buy  
When your body's been starved feed your appetite  
When you work all day, you gotta Uh! all night  
Uh, uh, uh, uh, uh, whoo

Take me to the jungle, honey  
We're livin' in a human zoo  
Getcha turnin' tricks for money  
I'd rather roll around with you

'Cause when the waitin' is over  
I come a-runnin' to you  
I got the whole night to show you  
I get excited, I'm so excited

Well, we work all day and we don't know why  
Well, there's just one thing that money can't buy  
When your body's been starved, feed your appetite  
When you work all day, you gotta Uh! all night

Ooh, let me hear you  
Uh! right  
Uh! Uh! Uh! yeah

Well, we work all day and we don't know why  
Well, there's just one thing that money can't buy  
When your body's been starved, feed your appetite  
When you work all day, you gotta Uh!

They got me workin', they got me runnin'  
But when I'm comin' home to you, yeah

Well, we work all day and we don't know why  
Well, there's just one thing that money can't buy  
When your body's been starved, feed your appetite  
When you work all day, you gotta Uh! all night

Well, we work all day [(they got me working)]  
And we don't know why [(they got me runnin')]  
Well, there's just one thing that money can't buy [(woah ooh yeah)]  
When you body's been starved [(my body's hungry)]  
Feed your appetite [(don't need no money)]  
When you work all day, you gotta Uh! all night [(comin' home, yeah)]

Well, we work all day and we don't know why  
Well, there's just one thing that money can't buy

When you body's been starved, feed your appetite  
When you work all day, you gotta Uh! all night

Well, we work all day
