

## Against the World

Kissin' Dynamite

You stand at the fry pan as every day  
All you've been dreaming, it faded away  
They took you all but they can't take your pride.  
We will break out in the night

You and me against the world  
they can't stop us now  
You and me against the world  
We'll make it somehow  
Come with me, we're free like the wind  
breaking all the chains  
It's you and me, you and me... against the world

You are in a treadmill, it's like ball and chain  
That stupid system, it makes you insane  
Let's blow up the whole shit, we pack up, my friend  
Go on a journey with no end

You and me against the world  
they can't stop us now  
You and me against the world  
We'll make it somehow  
Come with me, we're free like the wind  
breaking all the chains  
It's you and me, you and me, against the world, against the world

You and me against the world  
they can't stop us now  
You and me against the world  
We'll make it somehow  
Come with me, we're free like the wind  
breaking all the chains  
It's you and me, you and me... against the world
