

# Freaky

Kissin' Dynamite

Excitement overdose  
Panic coast to coast  
We bring a wave of madness  
We bring a wave of row  
Let your head explode

(Chorus)

Hey out there - You better be aware  
Here comes psycho - scare  
Are you ready for the shock?

Let's get freaky - freaky, freaky, freaky  
Let's get freaky - we go insane  
Let's get freaky - freaky, freaky, freaky  
Let's get freaky - give up your brain

Forget about the rules  
The risk is our fuel  
We bring a wave of madness  
Let chaos be your tool  
Burning down the school

(Chorus)

Hey out there - You better be aware  
Here comes psycho - scare  
Are you ready for the shock?

Let's get freaky - freaky, freaky, freaky  
Let's get freaky - we go insane  
Let's get freaky - freaky, freaky, freaky  
Let's get freaky - give up your brain  
(2x)

Let's Freaky (4x)

Let's get freaky - freaky, freaky, freaky  
Let's get freaky - we go insane  
Let's get freaky - freaky, freaky, freaky  
Let's get freaky - give up your brain  
(2x)
