## **High Enough**

**Kissin' Dynamite** 

I don't wanna hear about it anymore It's a shame I've got to live without you anymore There's a fire in my heart A pounding in my brain It's driving me crazy

We don't need to talk about it anymore Yesterday's just a memory Can we close the door I just made one mistake I didn't know what to say when you called me baby

(Bridge) Don't say goodnight Say you're gonna stay forever Oh oo Oh, all the way

(Chorus) Can you take me high enough To fly me over yesterday Can you take me high enough It's never over Yesterday's just a memory

I don't want to live without you anymore Can't you see I'm in misery And you know for sure I would live and die for you And I'd know just what to do when you call me baby

(Bridge) Don't say goodnight Say you're gonna stay forever Oh oo Oh, all the way

(Chorus)
Can you take me high enough
Can you fly me over yesterday
Can you take me high enough
It's never over
Yesterday's just a memory,
I'm running
I was running for the door
The next thing I remember
I was running back for more
Yeah...
