

# Let's Get Freaky

Kissin' Dynamite

Excitement overdose.  
Panic coast to coast  
We bring a wave of madness  
We bring a wave of row  
Let your head explode

Hey out there - you better be aware  
Here comes psycho-scare  
Are you ready for the shock?

Let's get freaky - freaky, freaky, freaky  
Let's get freaky - we go insane  
Let's get freaky - freaky, freaky, freaky  
Let's get freaky - give up your brain

Forget about the rules. The risk is our fuel  
We bring a wave of madness  
Let chaos be our tool  
Burning down the school

Hey out there - you better be aware  
Here comes psycho-scare  
Are you ready for the shock?

Let's get freaky - freaky, freaky, freaky  
Let's get freaky - we go insane  
Let's get freaky - freaky, freaky, freaky  
Let's get freaky - give up your brain

Let's get freaky - freaky, freaky, freaky  
Let's get freaky - we go insane  
Let's get freaky - freaky, freaky, freaky  
Let's get freaky - give up your brain

Let's get freaky  
Let's get freaky  
Let's get freaky  
Let's get freaky

Let's get freaky - freaky, freaky, freaky  
Let's get freaky - we go insane  
Let's get freaky - freaky, freaky, freaky  
Let's get freaky - give up your brain

Let's get freaky - freaky, freaky, freaky  
Let's get freaky - we go insane  
Let's get freaky - freaky, freaky, freaky  
Let's get freaky - give up your brain
