

# Ready Steady Thunder

Kissin' Dynamite

Were running wild  
While we're waiting on the line  
We live to ride  
Yeah, we'll fight against time  
All eyes on me  
See me speeding like a gun  
Fast as a bullet  
The race has just begun

Watch out...  
I've got a heart of chrome  
Watch out...I'm ready to explode  
'cause gasoline is running  
through my veins  
And I am totally insane

Ready, steady, thunder! Ohohohoho  
Ready, steady, thunder! Ohohohoho  
We are speeding hunters Ohohohoho  
Ready, steady, thunder! Ohoh

A cloud of dust - and a thousand smoking pipes  
At twisting speed - of a thousand screaming bikes  
A flock of steel - Heading through the burning air  
It's almost like - Riding an electric chair

Watch out...  
I've got a heart of chrome  
Watch out...I'm ready to explode  
'cause gasoline is running  
through my veins  
And I am totally insane

Ready, steady, thunder! Ohohohoho  
Ready, steady, thunder! Ohohohoho  
We are speeding hunters Ohohohoho  
Ready, steady, thunder! Ohoh

Ready, steady, thunder  
Ready, steady, thunder  
Ready, steady, thunder  
Ready, steady, thunder

Ready, steady, thunder! Ohohohoho  
Ready, steady, thunder! Ohohohoho  
We are speeding hunters Ohohohoho  
Ready, steady, thunder! Ohoh

Ready, steady, thunder! Ohohohoho  
Ready, steady, thunder! Ohohohoho  
We are speeding hunters Ohohohoho  
Ready, steady, thunder! Ohoh
