

Vip in Hell

Kissin' Dynamite

I take
What I shouldn't need
What I shouldn't have, shouldn't want or keep
Against the odds I'm doing fine

I will
Never get enough
Give it to me now 'cause I like that stuff
And if it's yours I make it mine

Rabble in the hall gonna cry my name
Devil on the dais, knowing I'm to blame
Singing harleylujah, no one gives a damn
Because

I'm gonna be a V.I.P.
Gonna be a V.I.P.
A V.I.P. in hell

I'm gonna be a V.I.P.
Gonna be a V.I.P.
A V.I.P. in hell

V.I.P.
V.I.P. in hell
A V.I.P. in hell

V.I.P.
V.I.P. in hell
A V.I.P. in hell

I feel
Better when I'm bad
Never having had all the fun, how sad
An evildoer's doing well

I can
Surely guaranty
Only an infernal machine like me
Can take you down the road to hell

Rabble in the hall gonna cry my name
Devil on the dais, knowing I'm to blame
Singing harleylujah, no one gives a damn
Because

I'm gonna be a V.I.P.
Gonna be a V.I.P.
A V.I.P. in hell

I'm gonna be a V.I.P.
Gonna be a V.I.P.
A V.I.P. in hell

V.I.P.
V.I.P. in hell
A V.I.P. in hell

V.I.P.
V.I.P. in hell
A V.I.P. in hell

Rabble in the hall gonna cry my name
Devil on the dais, knowing I'm to blame
Singing harleylujah, no one gives a damn
Because

I'm gonna be a V.I.P.
Gonna be a V.I.P.
A V.I.P. in hell

I'm gonna be a V.I.P.
Gonna be a V.I.P.
A V.I.P. in hell

V.I.P.
V.I.P. in hell
A V.I.P. in hell

V.I.P.
V.I.P. in hell
A V.I.P. in hell
