

Firefly

Kitchie Nadal

Sun used to divide us, now keeps us together
Infinite possibilities, absolute certainties
I'm your shield, your greatest reward

Firefly, firefly, firefly
I'm your daydream, hope and desire
And if you try hard enough you will find
Deep inside what you see in the sky

You were in trouble till the day you said it's over
Waging waging warrior, go ahead Joan of Arc
I'm your shepherd, you shall not be in want

Firefly, firefly, firefly
I'm your daydream, hope and desire
And if you try hard enough you will find
Deep inside what you see in the sky

I wanna fly with you tonight till the morning comes
Be careful not to burn my tongue

Firefly, firefly, firefly
I'm your daydream, hope and desire
And if you try hard enough you will find
Deep inside what you see in the sky
