

Same Ground

Kitchie Nadal

My love,
It's been a long time since I cried
And left you out of the blue.
It's hard
Leaving you that way when I never wanted to.

Self-denial
Is a game a stranger I never would want until
There was you.

'Cause I have learned that love is beyond
What human can imagine,
The more it clears,
The more I got to let you go.

'Cause what I don't understand
Is why I'm feeling so bad now
When I know it was my idea.
I could've just denied all the truth and lied.
But why am I the only one standing stranded
On the same ground?

My love,
It's been a long time since I cried
And left you out of the blue.
It's hard
Leaving you that way when I never wanted to.

Self-denial
Is a game a stranger I never would want until
There was you.

'Cause I have learned that love is a word
Just thrown a little bit too much.
The best excuse to fill that infinite abyss
I never ever have to be.

'Cause what I don't understand
Is why I'm feeling so bad now
When I know it was my idea.
I could've just denied all the truth and lied.
But why am I the only one standing stranded
On the same ground?

'Cause what I don't understand
Is why I'm feeling so bad now
When I know it was my idea.
I could've just denied all the truth and lied.
But why am I the only one standing stranded
On the same ground?

If all else fail, would you be there to love me?
When all else fail, would you be brave to see right through me?
