

Blue World

Kitten

Blue, blue world
Tell me what you're running from
Yeah baby takes the cake
Now it's you're world
Let's see if you can keep it clean
And don't make no mistakes

Whoa, whoa
Yeah, yeah

Blue, blue world
Your pictures in a magazine
Now it's my guiding light
But in your world i feel like a refugee
The strange and dirty type

Whoa, whoa
Yeah, yeah

She was kitty cat in red
Here we go again
Here we go again
Still young and born attractive
Hard light but no reaction
Ten years you're out of fashion
Oh, oh

Whoa, whoa
Yeah, yeah

Blue, blue world
Tell me what you're running from
Yeah baby takes the cake
Now it's you're world
You never gonna can keep it clean
And i don't make no mistakes

Whoa, whoa
Yeah, yeah

In your blue world
In your blue world
