

King Of Kings

Kitten

I'm King of Kings
I want everything
and I want it now
I've been uptown with my sin
coming round and back again
I want it now

40 days, 40 nights
tired and hungry for a fight
I want it now
they're taking to the streets
let's burn this city down for something to eat
they want it now

Give it to me now

It's gonna hit hard so you'd better run
everybody knows that when the Spirit comes
there's fire in the valley and a distant drum
awake, I'm wide awake
and I want it

Come, Prince of Peace
let your water wash over me
I need it now
like a bullet love tears the skin
breaks the bones then comes back again
I need it now

Give it to me
