

## Me

## Kitten

I woke up, someone's in my bed  
Feels like hammers hittin' my head  
Again and again and again

You wonder why I'm actin' up  
Tell me to keep my mouth shut  
I gotta pay for all the things you get for free  
But you don't know what it's like to be...  
(One, two, three, four)

Me  
I'm sick of them pretending to know me  
You don't know me, you don't know me  
You don't know me, you don't know me

You never had to lift a finger  
Don't care about things you don't wanna see  
'Cause playin' dumb is easier

Instead, you wanna call me out  
Tell me what isn't allowed  
Tip-toe around your insecurity  
But you don't know what it's like to be...  
(One, two, three, four)

Me  
I'm sick of them pretending to know me  
You don't know me, you don't know me  
You don't know me, you don't know me  
You don't know me, you don't know me

Nightmares chasing after me  
Same fears slippin' into my head  
I'm holding on to the same things  
I was when I was young  
Nightmares chasing after me  
Same fears slippin' into my head  
I'm holding on to the same things  
I was when I was young

You don't know what it's like to be...  
(One, two, three, four)

Me  
I'm sick of them pretending to know me  
You don't know me, you don't know me  
You don't know me, you don't know me  
You don't know me, you don't know me

(You don't know me)  
You don't know me, you don't know me
