

Oh My God

Kitten

Oh my God, you broke me down
If I'm a queen then where's my crown?
Oh my God, you broke my heart
You took my faith, I let you carry it away
You broke my heart

Did I go too fast?
Oh, I could have made it last
I guess I didn't see it coming

Oh my, thought you were what I wanted
Now I'm broken hearted
Oh my, thought you were what I wanted
Never shoulda started

I give up, it's not really all about your love
You wasted my time, was it ever enough?
Thought that you could do no wrong
Oh my god

Oh my god, she looks like me
With gold hoop earrings that she took from me
Slave to love, baby, now I'm free
You took my faith, I let you carry it away
Now I'm free

Did I go too fast?
Oh, I could have made it last
I guess I didn't see it coming

Oh my, thought you were what I wanted
Now I'm broken hearted
Oh my, thought you were what I wanted
Never shoulda started

I give up, it's not really all about your love
You wasted my time, was it ever enough?
Thought that you could do no wrong
Oh my god

Why-y, did I let you sleep in my bed?
And why-y, do I let you mess with my head?
Why-y do I give a damn about anyone else?
How do you live with yourself?
How do you live with yourself?
How do you live with yourself?
